Blue Badge Co

Independent Lifestyle Products

Product Guide 2017
Welcome

Blue Badge Co, home of stylish and convenient independent lifestyle products.

Six years ago I was contemplating an uncertain future. I had been made redundant and was unsure of my next move. To stay busy I helped my disabled friend individually stitch a series of stylish display wallets designed for the disabled parking permit.

Blue Badge Co has since become a fast growing, dynamic young company with a string of awards to its name. Unwilling to give up our UK manufacturing, I caused a stir on BBC Two’s Dragon’s Den when I walked away from three offers of investment.

It proved a wise decision! Staff numbers have rocketed and our products are now stocked by major retailers including Argos, Boots, WH Smiths and The Post Office. Inspiring and uplifting, our vibrant range of designs and prints bring beauty to the everyday. Our wide selection of unique and interesting gift ideas now has even more quality, helpful home comforts and travel accessories. Be sure to visit our website for our full collection: www.bluebadgecompany.co.uk

Happy browsing and I hope you enjoy using our products as much as we love making them!

**VAT Exemption**

Please complete this section if you are eligible for VAT relief. You only have to pay the ex VAT price shown on that product, plus the appropriate postage.

Please confirm this VAT Exemption Statement applies to you: “I have a chronic illness or disability, and the product I have ordered from Blue Badge Co is for my personal use, or I am buying the product for someone who has a chronic illness or disability.”

VAT Exemption Explained

About VAT Exemption
VAT exemption allows chronically sick or disabled people to buy eligible items at 0% VAT thus saving them money. Disabled people do not have to pay VAT when they buy equipment that has been designed solely for disabled people, or on the adaptation of equipment so they can use it.

What proof do we need to provide?
In order to waive VAT on your purchase, the government requires a simple declaration to be made as to the nature of your disability at the time of ordering. No proof of your disability need be shown to any party at any time.

A person with a temporary injury like a broken leg would not qualify, nor would a frail older person who is otherwise well and not disabled.

Things to Remember
We do NOT decide if an item is or isn’t exempt and we don’t make any more or less money if we charge you VAT or we don’t charge you VAT. If you do not tick the VAT exemption box, or you are not eligible for VAT relief, we are obliged to charge you the full prevailing VAT on the whole of your order.

Not all products are eligible for VAT relief, so we are obliged to charge VAT at the prevailing rate for those products that are not VAT exempt.

Who is eligible for VAT relief?
VAT law states that you must be ‘chronically sick or disabled’ to qualify for VAT relief.

A person is ‘chronically sick or disabled’ if they:
• have a physical or mental impairment that has a long-term and severe effect on their ability to carry out everyday activities
• have a condition that doctors treat as a chronic sickness - like diabetes, for example
• are terminally ill

More Information
You can find out more about VAT relief for disabled people on the HM Revenue & Customs website: www.hmrc.gov.uk/vat/sectors/consumers/disabled.htm

If you cannot find the answer to your questions there, you can call their Charities Helpline, which covers VAT relief for disabled people. Telephone: 0300 123 1073
